

BATTLE FOR ISRAEL

Holy Land Pilgrimage - June, 2024

From June 22—July 3, 2024, Lamb & Lion Ministries will offer a “Battle for Israel” pilgrimage to the Holy Land. Co-hosted by Lamb & Lion’s Senior Evangelist, Colonel Tim Moore and Lt. General Jerry Boykin of the Family Research Council, this spiritual journey will highlight the faithfulness of God as manifested in His providential protection of His chosen nation. We will emphasize the ancient, “modern”, and prophesied future deliverance of Israel. As we visit key battle sites throughout Israel, our focus will be on the One Who fights for and preserves His own.

Whether you have traveled to Israel before or are a student of Scripture who has never visited the Promised Land—where Jesus lived and ministered and where He will reign from when He returns—I can promise you that your faith will be strengthened, your joy will be deepened, and your anticipation of the Lord’s soon return will be rekindled.

This trip will depart the United States on Saturday, June 22nd, and return on Wednesday, July 3rd. Details on price and tentative itinerary can be found at our Lamb & Lion Ministries website (<http://christinprophecy.org/events/israel-tours/>). Pay special attention to the “Details” link. While not inexpensive, the price is all-inclusive and at the lower end of the spectrum for a pilgrimage of this quality. No one who has gone to Israel with Lamb & Lion has regretted this investment in their increased understanding of and appreciation for what they have read in Scripture for years.

Please contact Lamb & Lion Ministries if you have any questions or would like to talk through your consideration of this not-to-be-missed opportunity. Rest assured that you will be blessed and return home praising the Lord for impressing on your heart to go. You will also come back excited about His Second Coming and crying, “Maranatha, Come quickly, Lord Jesus!”

Come with us. Make Aliyah (Hebrew for “going up”) to Israel. See the hills and valleys and rivers and streams that Jesus saw. Stand where He will set His foot once again when He returns to reign from Mount Zion in Jerusalem.

I am already praying God’s blessing on the group who will join me in May. I hope that can include you!

In Christ –

ISRAEL PILGRIMAGE

Then I said to you, “Do not be shocked, nor fear them. The LORD your God will Himself fight on your behalf, just as He did for you in Egypt before your eyes.”
