

## "Convergence Before Our Eyes" Technology & Israel

**LAMB & LION**  
MINISTRIES

1. One more time, let's heed Jesus' warning in Matt. 24: "See to it that \_\_\_\_\_"
2. So far, we've reviewed 4 of the 6 categories of signs Lamb & Lion Ministries lists:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_

We pointed out how these signs are increasing \_\_\_\_\_. Today we'll emphasize how they are converging like never before.

3. That brings us to our final two categories of signs: \_\_\_\_\_ and \_\_\_\_\_. We'll find that they overlap in unexpected and accelerating ways.

### Technology

1. Many people are surprised to learn that Bible prophecy foretold this category of signs. Clearly, some of prophecies are implied instead of overt, but you have to consider how ancient prophets would have described visions that strained their own imagination, like:

#### Positive

- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_

#### Negative

- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_

2. Although we've ascribed some prophetic fulfillments as "positive" and some as "negative," technology in and of itself is \_\_\_\_\_.
  - We use technology every week to broadcast \_\_\_\_\_
  - Nathan's role as an \_\_\_\_\_ depends on the ability to connect with people around the world
3. Recently, we saw the horrific potential of modern technology to \_\_\_\_\_—and the potential of technology to \_\_\_\_\_ (Israel vs. Iran).  
More on that later...

### Israel

1. We refer to Israel as \_\_\_\_\_. Why?
  - Israel stands as God's \_\_\_\_\_
  - When Israel is back in the Land and has reclaimed Jerusalem, Jesus said \_\_\_\_\_

## "Convergence Before Our Eyes" Technology & Israel

MINISTRIES

- The parable of the \_\_\_\_\_ (Matthew 24:32-33)
  - What is the meaning of the word "\_\_\_\_\_" in Matthew 24:34
2. As we said last week, in just the past 77 years:
1. Israel \_\_\_\_\_
  2. Surrounded by \_\_\_\_\_
  3. Menaced by \_\_\_\_\_ to the north
  4. The \_\_\_\_\_ revived
  5. An epidemic of \_\_\_\_\_
3. Even the recent outbreak of war is evidence that \_\_\_\_\_ is pulling out all the stops to destroy \_\_\_\_\_—thus making God a \_\_\_\_\_.
4. There is a powerful but ironic and dangerous \_\_\_\_\_ between the Sign of Technology and the Sign of Israel:
- The IDF has proven to be very effective at leveraging technology to \_\_\_\_\_ (Zechariah 12:6)
  - By reputation and proven capability, Israel has one of the \_\_\_\_\_ in the region—if not the world
  - BUT, by relying on its own IDF and giving credit to \_\_\_\_\_, Israel risks (or in fact, has) ignoring the \_\_\_\_\_
5. \_\_\_\_\_ is the metanarrative that is tying all the Signs of the Times together:
- \_\_\_\_\_ offers a growing ability to predict (and a potential ability to tamper with) natural forces (think nuclear power, cloud-seeding, hurricane prediction, etc)
  - The alarming \_\_\_\_\_ trends are being manifest in the breakdown of \_\_\_\_\_, as even our own nation relives "\_\_\_\_\_" and outdoes \_\_\_\_\_
  - Although mankind has always been in \_\_\_\_\_ against God, \_\_\_\_\_ and \_\_\_\_\_ revolutions are driving the \_\_\_\_\_ scene that God's prophetic Word foretold
  - And at the center of it all, receiving world attention far beyond its size or population would seem to merit, is \_\_\_\_\_—the "\_\_\_\_\_" and the continuing target of \_\_\_\_\_ frenzied effort to thwart \_\_\_\_\_
6. The Signs of the Times are shouting that \_\_\_\_\_! God revealed these signs not just to give us intellectual knowledge, but to offer \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_ in an increasingly \_\_\_\_\_.
- What will \_\_\_\_\_ do with that knowledge? (\_\_\_\_\_)
